- ¹ See General Education Requirements in the current Chipola College Catalog.
- ² Should be completed with grade of "C" or better.
- ³ Take additional art, humanities, or foreign language courses.

- ⁵ FSU requires one Natural Science course with a Lab to be completed before graduation with a C or higher. This is not an admission requirement.
- ⁶ The B.A. degree requires completion of a foreign language through the 2220 level before graduation from FSU.
- 7 Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement as outlined in section 1007.25(4), Florida Statutes (F.S.). See catalog or contact an Academic Advisor for more information.

FSU Oral Communication Competency Requirement: Students must demonstrate the ability to orally transmit ideas and information clearly. This requirement may be met with an approved college-level course which may be taken at Chipola or at FSU. Contact an Academic Advisor for more information.

While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.

FSU requires 6 hrs. of international/diversity courses. If you complete an AA degree before transferring, FSU only requires 3 hrs. of international/diversity coursework. Chipola courses that meet this requirement include AMH 2091/2093, ASH 1044, GEA 2001/2002, REL 2300, SYG 1010, and THE 1000.
